

Design Report of Safety Data Sheet

ORIGINAL

Report No.:	HGBZ2309PQG5
Version :	V2.0.0.1
*Product Name:	Aloe Vera Oil
*Applicant:	Sophix Natural
Supplier:	Sophix Natural
*Composition of the product :	Aloe Vera Oil(CAS: 100084-89-7 : 100%
Warranty of Design:	Prepared according to American OSHA HazCom Standard (2012)
*Information materials:	HGBZ2309PQG《Application》、 P108095《Declaration of consistency of components of the sample submitted for inspection》
Design Result of SDS please see next page.	
Sophix Natural Agro & Products Ltd.	

Sophix Natural
And Agro Products Ltd
RC-1615742

Name : **Sophix Natural Agro & Products Ltd.**

Address : 200113 Plot 9, Zone A, Liguori Street Off New Ife Road National Bus Stop Ibadan.

Web: www.sophixnatural.com

Tel: +234 706 1111 838

E-mail: sophixnatural@gmail.com

Terms of the Using of the Report

1. According to the needs of issuing the report, the company requires the client to provide true and complete samples and data (see the report tape ★for details). The Company will not bear any consequences caused by the wrong information provided by the Client. If the chemical information, authoritative database and relevant policy changes submitted by the client affect the conclusions of this report, this report will automatically become invalid. Unless otherwise specified, the data in this report are only responsible for the samples submitted for inspection, and the accuracy of sample composition information is the responsibility of the client. The hazard characteristics, transportation information and emergency measures of samples need to focus on the corresponding parts of this report.
2. The data source of this report is based on the relevant materials and information submitted by the client, the test results of international authoritative databases, laboratories and the current relevant knowledge of the company. We try our best to ensure the correctness of all information during the audit. However, due to the diversity of information sources and the limitations of the Company's knowledge, users of this report should make further judgments on the reasonableness of relevant information based on the purpose of use.
3. This report will be effective only after it is signed by the inspector, approver and stamped by our company.
4. Our company guarantees the objectivity and fairness of this report, and carries out confidentiality obligations on business secrets such as business information, technical documents and so on.
5. This report does not consider the differences between countries and operators.
6. The partly duplicating of this report is prohibited without the written approver.
7. The report is invalid when anything of the following happens-illegal transfer, embezzlement, imposture, modification or tampering in any media form.
8. This report is valid before the implementation of the new version of the standard.

Sophix Natural

Safety Data Sheet

Aloe Vera Oil

Version : V2.0.0.1

Report No. : HGBZ2309PQG5 Creation

***Prepared according to American OSHA HazCom Standard (2012)**

1 Identification

Product identifier

Product Name	Aloe Vera Oil
CAS No.	85507-69-3
EC No.	309-126-3
Molecular Formula	Unspecified

Recommended use of the product and restrictions on use

Relevant identified uses	Please consult manufacturer.
Uses advised against	Please consult manufacturer.

Details of the supplier

Applicant Name	Sophix Natural
Applicant Address	Plot 9, Zone A, Liguori Street Off New Ife Road National Bus Stop Ibadan.
Applicant Post Code	200113
Applicant Telephone	+2347061111838
Applicant Fax	—
Applicant E-mail	sophixnatural@gmail.com
Supplier Name	Sophix Natural
Supplier Address	Plot 9, Zone A, Liguori Street Off New Ife Road National Bus Stop Ibadan.
Supplier Post Code	200113
Supplier Telephone	+2347061111838
Supplier Fax	—
Supplier E-mail	sophixnatural@gmail.com

Emergency phone number

Emergency phone number	07061111838
------------------------	-------------

Sophix Natural

And Agro Products Ltd

RC-1615742

2 Hazard identification

Hazard classification according to GHS

According to OSHA HazCom regulations and its amendments, not classified as a hazardous

chemical. | GHS Label elements

Hazard pictograms	Not applicable
Signal word	Not applicable

Hazard statements

/ 8

Aloe Vera Oil

Hazard statements	Not applicable
-------------------	----------------

Precautionary statements

◆ Prevention

Prevention	Not applicable
------------	----------------

◆ Response

Response	Not applicable
----------	----------------

◆ Storage

Storage	Not applicable
---------	----------------

◆ Disposal

Disposal	Not applicable
----------	----------------

Hazard description

◆ Physical and chemical hazards

	No information available
--	--------------------------

◆ Health hazards

Inhaled	Inhalation of the product may produce adverse health effects or irritation of the respiratory tract following discomfort.
Ingestion	Accidental ingestion of the product may be harmful to the health of the individual.
Skin Contact	Entry into the blood-stream, through, for example, cuts, abrasions or lesions, may produce systemic injury with harmful effects.
Eye	This product may cause temporary discomfort following direct contact with the eye.

◆ Environmental hazards

	Please refer to 12th chapter of SDS.
--	--------------------------------------

Sophix Natural

And Agro Products Ltd

RC-1615742

3 Composition/information on ingredients

Substance/mixture

Substance

Component	CAS No.	EC No.	Concentration (wt, %)
Aloe Vera Oil ext	85507-69-3	309-126-3	100

4 First-aid measures

Description of first aid measures

General advice	Immediate medical attention is required. Show this safety data sheet (SDS) to the doctor in attendance.
Eye contact	Rinse thoroughly with plenty of water for at least 15 minutes and consult a physician if feel uncomfortable.
Skin contact	No harm in general situation. First aid is not needed.
Ingestion	Never give anything by mouth to an unconscious person. Call a physician immediately.
Inhalation	Move victim into fresh air. If breathing is difficult, give oxygen and consult a physician immediately.
Protecting of first-aiders	Ensure that medical personnel are aware of the substance involved. Take precautions to protect themselves and prevent spread of contamination.

Most important symptoms/effects, acute and delayed

- 1 Please see section 11.

Indication of any immediate medical attention and special treatment needed

- 1 Treat symptomatically.
- 2 Symptoms may be delayed.

5 Fire-fighting measures

Extinguishing media

Suitable extinguishing media	Use extinguishing media suitable for surrounding area.
Unsuitable extinguishing media	There is no restriction on the type of extinguisher which may be used.

Sophix Natural

And Agro Products Ltd

RC-1615742

Specific hazards arising from the substance or mixture

1	Development of hazardous combustion gases or vapor possible in the event of fire.
2	Not considered a significant fire risk, however containers may burn.

Special protective equipment and precautions for fire-fighters

1	As in any fire, wear self-contained breathing apparatus (MSHA/NIOSH approved or equivalent) and full protective gear.
2	Fight fire from a safe distance, with adequate cover.
3	Prevent fire extinguishing water from contaminating surface water or the ground water system.

6 Accidental release measures

Personal precautions, protective equipment and emergency procedures

1	Use personal protective equipment, do not breathe gas/mist/vapour/spray.
2	Ensure adequate ventilation. Remove all sources of ignition.
3	Evacuate personnel to safe areas. Keep people away from and upwind of spill/leak.

Environmental precautions

1	Prevent further leakage or spillage if safe to do so.
2	Discharge into the environment must be avoided.

Methods and materials for containment and cleaning up

1	Cut off the source of the leak as much as possible.
2	Keep leaks in a ventilated place.
3	Absorb spilled material in dry sand or inert absorbent. In case of large amount of spillage, contain a spill by bunding.
4	Remove all sources of ignition. Use spark-proof tools and explosion-proof equipment.
5	Contain spillage, and then collect with an electrically protected vacuum cleaner or by wet-brushing and place in container.

7 Handling and storage

Precautions for safe handling

1	Handling is performed in a well ventilated place.
2	Avoid contact with eyes.

Aloe Vera Oil

3	Keep away from heat/sparks/open flames/ hot surfaces.
---	-------------------------------------------------------

Sophix Natural

And Agro Products Ltd

RC-1615742

Conditions for safe storage, including any incompatibilities

1	Keep containers tightly closed.
2	Keep containers in a dry, cool and well-ventilated place.
3	Keep away from heat/sparks/open flames/hot surfaces.
4	Store away from incompatible materials and foodstuff containers.

8 Exposure controls/personal protection

Control parameters

Occupational Exposure limit values	No relevant regulations
------------------------------------	-------------------------

◆ Biological limit values

Biological limit values	No relevant regulations
-------------------------	-------------------------

◆ Monitoring methods

1	EN 14042 Workplace atmospheres. Guide for the application and use of procedures for the assessment of exposure to chemical and biological agents.
2	GBZ/T 300 series standard Determination of toxic substances in workplace air.

Engineering controls

1	Ensure adequate ventilation, especially in confined areas.
2	Ensure that eyewash stations and safety showers are close to the workstation location.
3	Set up emergency exit and necessary risk-elimination area.
4	Handle in accordance with good industrial hygiene and safety practice.

Personal protection equipment

General requirement	No special requirements, please see the description below.
Eye protection	In general situation, eye protection is not needed. In the production process, when contacting with vapor or dust, tightly fitting safety goggles.
Hand protection	In general situation, hand protection is not needed.
Respiratory protection	In general situation, respiratory protection is not needed. If exposure limits are exceeded or if irritation or other symptoms are experienced, wear dust proof mask or gas defense mask.
Skin and body protection	In general situation, skin and body protection are not needed.

9 Physical and chemical properties and safety characteristics

Physical and chemical properties

Appearance	Transparent colored liquid
------------	----------------------------

Sophix Natural

And Agro Products Ltd

RC-1615742

Odor	Characteristic odor
Odor threshold	No information availableNo
pH	information available
Melting point/freezing point(°C)	No information available
Initial boiling point and boiling range(°C)	442.5±45.0 °C at 760 mmHg
Flash point(Closed cup,°C)	No information available
Evaporation rate	No information available
Flammability	Not flammable
Upper/lower explosive limits[%(v/v)]	Upper limit : No information available ; Lower limit : No information available
Vapor pressure	No information available
Vapor density(Air = 1)	No information available
Relative density(Water=1)	No information available
Solubility	No information available
n-octanol/water partition coefficient	No information available
Auto-ignition temperature(°C)	No information available
Decomposition temperature(°C)	No information available
Viscosity	No information available

10 Stability and reactivity

Stability and reactivity

Reactivity	Contact with incompatible substances can cause decomposition or other chemical reactions.
Chemical stability	Stable under proper operation and storage conditions.
Possibility of hazardous reactions	No information available.
Conditions to avoid	Incompatible materials, heat, flame and spark.
Incompatible materials	No information available.
Hazardous decomposition products	Under normal conditions of storage and use, hazardous decomposition products should not be produced.

11 Toxicological information

Acute toxicity

Acute toxicity	No information available
----------------	--------------------------

Sophix Natural

And Agro Products Ltd

RC-1615742

| Carcinogenicity

Component	List of carcinogens by the IARC Monographs	Report on Carcinogens by NTP
Aloe Vera Oil ext.	Not Listed	Not Listed

| Others

Aloe Vera Oil, ext. (Component)	
Skin corrosion/irritation	Based on available data, the classification criteria are not met
Serious eye damage/irritation	Based on available data, the classification criteria are not met
Skin sensitization	Based on available data, the classification criteria are not met
Respiratory sensitization	Based on available data, the classification criteria are not met
Reproductive toxicity	Based on available data, the classification criteria are not met
STOT-single exposure	Based on available data, the classification criteria are not met

Sophix Natural

And Agro Products Ltd

RC-1615742

STOT-repeated exposure	Based on available data, the classification criteria are not met
Aspiration hazard	Based on available data, the classification criteria are not met
Germ cell mutagenicity	Based on available data, the classification criteria are not met
Reproductive toxicity(additional)	Based on available data, the classification criteria are not met

Ecological information

Acute aquatic toxicity

Acute aquatic toxicity	No information available
------------------------	--------------------------

Chronic aquatic toxicity

Chronic aquatic toxicity	No information available
--------------------------	--------------------------

Persistence and degradability

Persistence and degradability	No information available
-------------------------------	--------------------------

Bioaccumulative potential

Bioaccumulative potential	No information available
---------------------------	--------------------------

Mobility in soil

Mobility in soil	No information available
------------------	--------------------------

Results of PBT and vPvB assessment

Component	Results of PBT and vPvB assessment [according to (EC) No 1907/2006]
Aloe Vera Oil, ext	Not available

Disposal considerations

Sophix Natural

And Agro Products Ltd

RC-1615742

Disposal considerations

Waste chemicals	Before disposal should refer to the relevant national and local laws and regulation. Recommend the use of incineration disposal.
Contaminated packaging	Containers may still present chemical hazard when empty. Keep away from hot and ignition source of fire. Return to supplier for recycling if possible.
Disposal recommendations	Refer to section waste chemicals and contaminated packaging.

14 Transport information

Label

Transporting Label	Not applicable
--------------------	----------------

IMDG-CODE

IMDG-CODE	NOT REGULATED FOR TRANSPORT OF DANGEROUS GOODS
-----------	------------------------------------------------

ICAO/IATA-DGR

IATA-DGR	NOT REGULATED FOR TRANSPORT OF DANGEROUS GOODS
----------	------------------------------------------------

UN-ADR

UN-ADR	NOT REGULATED FOR TRANSPORT OF DANGEROUS GOODS

Disclaimer

This Safety Data Sheet (SDS) was prepared according to New Zealand HSNO Regulations. The data included was derived from international authoritative database and provided by the enterprise. Other information was based on the present state of our knowledge. We try to ensure the correctness of all information. However, due to the diversity of information sources and the limitations of our knowledge, this document is only for user's reference. Users should make their independent judgment of suitability of this information for their particular purposes. We do not assume responsibility for loss, damage or expense arising out of or in any way connected with the handling, storage, use or disposal of the product.
