

MATERIAL SAFETY DATA SHEET

Section 1: Chemical Product and Company Identification

Product Name: Bakuchiol

Company Name: SOPHIX NATURAL AND AGRO
PRODUCTS LTD

Contact Telephone: +234 7061111838

Product Use: Mainly used in cosmetics, skin care products, daily chemicals, etc.

Section 2: Hazards Identification

Hazard Statements: Not applicable.

Information on Specific Hazards to Humans and the Environment: Not applicable.

Section 3: Composition/Information on Ingredients

Chemical Properties: Pure natural product without any additives.

Description: Brownish-red oily liquid

Hazardous Components: None

Section 4: First-Aid Measures

General Information: No special measures required.

After Inhalation: Provide fresh air; consult a doctor if discomfort occurs.

After Skin Contact: This product usually does not irritate the skin.

After Eye Contact: Rinse open eyes under running water for several minutes.

Section 5: Fire-Fighting Measures

Suitable Extinguishing Media: Carbon dioxide, dry chemical extinguishing agents, or water spray. Extinguish large fires with alcohol-resistant foam water spray.

Protective Equipment: No special measures required.

Section 6: Accidental Release Measures

Environmental Protection Measures: No special measures required.

Cleanup/Collection Measures: Mechanical collection; avoid causing agitation.

Other Information: No hazardous substances will be released.

Section 7: Handling and Storage

Information on Safe Handling: No adverse effects.

Information on Explosion Prevention and Structural Protection: No special measures required.

Storage: Store in a cool, dry place away from direct sunlight. Do not use metal containers.

Information on Storage in a Common Storage Facility: Not required.

Additional Information on Storage Conditions: None.

Storage Class: No special requirements.

Section 8: Exposure Controls/Personal Protection

Personal Protective Equipment (PPE): No requirements.

Respiratory Protection: Ordinary mask.

Hand Protection: Not required.

Eye Protection: Not required.

Section 9: Physical and Chemical Properties

Form: Brownish-red oily liquid

Odor: Characteristic

Composition: Bakuchiol 98-100%

Section 10: Stability and Reactivity

Thermal Decomposition/Conditions to Avoid: Will not decompose if used in accordance with

specifications.

Hazardous Reactions: No known hazardous reactions.

Hazardous Decomposition Products: No known hazardous decomposition products.

Section 11: Toxicological Information

Acute Toxicity: None

Primary Irritant Effects: Astringent

On Skin: No skin irritation. Inhalation of powder may irritate the respiratory tract.

On Eyes: No eye irritation.

Sensitization: No known sensitization effects.

Other Toxicological Information: Based on our experience and the information provided to us, this product will not cause any harmful effects when used and handled in accordance with specifications.

Section 12: Ecological Information

General Information: Toxicity to water is unknown.

Section 13: Disposal Considerations

Dispose of the product in accordance with local regulations.

Section 14: Transport Information

ADR/RID Classification: Maritime or air transport

Section 15: Regulatory Information

None

Section 16: Other Information

XI'AN AOGU BIOTECH CO.,LTD. provides the composition information of the product, and

promises its integrity and accuracy. User should read this file carefully, and use the product in correct method. XI'AN AOGU BIOTECH CO.,LTD. Does not assure responsibility for any damage or loss because of misuse of this product.
