

1. IDENTIFICATION OF THE SUBSTANCE AND OF THE COMPANY

1.1. Details of the supplier

Commercial Product Name **Pentavitin**
Company **SOPHIX NATURAL AND AGRO PRODUCTS LTD**
Address **5, Olayinka Owodunni Street, Off Sule Abore, Behind NNPC Filling Station, Ojodu Berger, Lagos**

Fax **+2347061111838**

1.2. Product use

Use of the Substance/Mixture **Cosmetic ingredient for skin care**

2. HAZARDS IDENTIFICATION

Risk category **Non toxic and harmless**
Health hazards **This product is mainly added in cosmetics, does not contain any preservatives and harmful ingredients**
Environmental hazards **No**
Explosion hazard **This product is non flammable, non explosive, safe and harmless**

3. COMPOSITION/INFORMATION ON INGREDIENTS

INCI Name **CAS #**
Scccharide Isomerate **NA**

4. FIRST AID MEASURES

Eye contact **Lift the eyelids immediately and rinse them thoroughly with plenty of flowing water or normal saline for 10~15min. If you feel unwell, please see a doctor.**
Skin contact **No impact**
Inhalation **Quickly leave the scene to fresh air, keep the respiratory tract unobstructed.**
Mistake **If taken by mistake, rinse with water.**

5. FIREFIGHTING MEASURES

Hazard characteristics	No danger
Harmful combustion products	No
Fire fighting methods	Non flammable, no need to put out fire
Precautions and measures for fire fighting	No

6. LEAKAGE EMERGENCY TREATMENT

Emergency action	This product does not have any sexual harm and does not need to take any emergency measures
------------------	---

7. HANDLING AND STORAGE

Operation precautions	Airtight operation to prevent dust and other impurities pollution; Operators must receive special training and strictly abide by the operating procedures; When handling, it should be loaded and unloaded lightly to prevent the package and container from being damaged
Storage considerations	Sealed, dry environment, dark storage

8. EXPOSURE CONTROLS/PERSONAL PROTECTION

Monitoring methods	No data available
Engineering control	The production process is closed to prevent pollution
Respiratory system protection	Just wear a health mask
Eye protection	Wear safety glasses if necessary
Body protection	Wear lab clothes
Hand protection	Wear oil resistant rubber gloves
Other protection	Smoking is strictly prohibited at the work site

9. PHYSICAL AND CHEMICAL CHARACTERISTICS

Appearance and character	Yellow to amber viscous liquid
Main uses	Active ingredients in cosmetics such as anti wrinkle, anti-aging, whitening, etc
Other physical and chemical properties	Characteristic odor

10. STABILITY AND REACTIVITY

Stability	Stable at room temperature
Incompatibility	No data available
Avoid contact conditions	No data available
Polymerization hazard	No data available
Decomposition products	Lipid, water

11. TOXICOLOGICAL INFORMATION

Acute toxicity	No data available
Irritation	No data available
Subchronic and chronic toxicity	No data available

12. ECOLOGICAL INFORMATION

Ecotoxicity	No data available
Other harmful effects	No data available

13. DISPOSAL CONSIDERATIONS

Waste property	No hazardous waste
Methods of waste disposal	Collection and centralized processing
Precautions for waste disposal	Refer to relevant national and local regulations before disposal

14. TRANSPORT INFORMATION

Package category	General specifications
Packaging mark	pollution-free
Packaging method	Plastic bucket
Transportation precautions	Handle with care, moistureproof and exposure proof

15. REGULATORY INFORMATION

Regulatory information	Comply with local government laws and regulations on the health, health and safety of chemicals
------------------------	---

16. OTHER INFORMATION

Further information :

Inform the user of protective measures and give personal protective equipment. The information in this safety technical specification is compiled based on our existing knowledge and experience, and only consider the safety reasons to explain the product. These data do not indicate the nature of the product (product technical specifications), and the possible nature of the product or the applicability of the product for a specific purpose should not be inferred from this safety technical specification. The recipient of this product has the responsibility to ensure any ownership and comply with the current laws and regulations.
